

## **2022 GoPro Motorplex Karting Challenge** **Class Structure and Rules**

### All Classes:

*Chassis and Bodywork per CIK. CIK "style" bodywork only, no "full coverage" front or side bodywork. CIK full coverage plastic rear protection system is required. Briggs classes must conform to a traditional sprint setup with no lay-down seats or floor pans past the center chassis bar. All rules are subject to change at promoter's discretion. Unless noted, GoPro Motorplex will be following the WKA Rule Book for chassis and engine specifications.*

*Tire warmers and tire prep are strictly prohibited. If tires are found to be outside of the durometer window or do not pass the 'sniffer', those tires will be marked illegal and may be cause for driver suspension.*

- In all classes; MG rains only.
- Competitors found prepping tires and/or tampering with fuel will receive a minimum 1-year ban from competition.
- Briggs classes: Part number 5477S as part of 4110 exhaust is not allowed.

- All competing karts must have a chassis band and an engine seal provided from Tech prior to qualifying AND have the serial number sheet filled out and signed.
- Spec Oil for all 2 Cycle Classes: SPEC OIL: Redline, Maxima 927, and Motul @ 8oz Per Gallon

**Competition Age:** Unless otherwise stated, a competitor's age for the 2022 race season will be determined by that competitor's age on December 3, 2022. Competitors whose age on December 3, 2022 does not meet the class minimum MUST request, in writing, a waiver from GoPro Motorplex. If a waiver is submitted to GoPro Motorplex, the competitor's racing resume and history will be reviewed and a decision will be provided, in writing, within 30 days. If a waiver is not approved, the competitor may request a review after each 30 day period following the original decision.

**Kid Kart Class:** Top 3 at each event (in class) will receive a trophy/medal. **No points awarded**
